The purpose of this colourful book is to teach young children about God. I believe that knowing God is the beginning of all wisdom. And I believe that children who are taught about God in their early years will be influenced for life in a very positive way.

I have been thinking of writing this book for a long time, and I believe it is one of the most important writings God has allowed me to do. Children learn with ease what they are taught early, whether from TV and the internet or from life-changing biblical information, such as this book gives. It goes much beyond Bible storybooks, which are also so necessary.

This is a primer to tell children about God’s eternity, and about Jesus Christ in heaven with His Father and why He came to earth to die. It tells of His going back to God in heaven and His coming again. The major Bible teachings about God are taught here, though briefly and simply.

KENNETH N. TAYLOR

P.S. This book is intended to be read to the child by an adult.

PART I
All about the Bible
The Bible Tells Us about God

Here is a picture of the Bible. It is the best book in the whole world. It tells us about God, who is the most important Person in the whole world.

Check it out in the Bible: John 20:30–31

**Question:** Who does the Bible tell us about?
We Read the Bible to Learn about God

This is a picture of a family reading the Bible together. They do this every night. They are reading about God, our heavenly Father.

Read more in the Bible: Matthew 6:25-26

**Question:** Who is this family reading about?
Reading the Bible Is Important

This boy’s name is Zac Jones. He is six years old, and he can already read. He reads a little bit from his Bible every day. Sometimes he reads a story from the Bible to his little sister Lucy because she is only four years old and can’t read yet. Reading the Bible is very important.

Find out more from the Bible: Psalm 119:105

Question:
How often does Zac read from the Bible? If you can’t read yet, who can read the Bible or a Bible storybook to you?
Prophets Wrote the Bible

This is a prophet. He lived a long time ago. He listened to God and wrote down what God said. He was writing part of the Bible. The Bible was written by many different people. God chose prophets, kings and friends of Jesus to write down all the things He wanted us to know about Him.

Look it up in the Bible: 2 Peter 1:21

Question:
What is the prophet doing?
